

**Binstead Primary School Curriculum**  
**Information**

**Year 6**

**Autumn Term 2 2023**

Dear Families,

I hope you all had a good half-term.

PE days are still Tuesday and Thursday this term. Please ensure your child is wearing their kit on these days.

The children have all selected a reading for pleasure book from our class library. This can be taken home but should be brought back into school each day.

On Tuesday 21<sup>st</sup> November, Year 6 will be having a CPR workshop with the Isle of Wight ambulance service as part of 'Restart a Heart Day'.

If you have any questions, please get in touch via the office.

Kind regards,  
Mrs Nordbruch

## **English**

Our writing will be inspired by the books 'Shackleton's Journey' and 'Ice Trap' which both retell true tales of polar exploration. We will be writing adverts, letters and diary entries.

We will be reading 'Race to the Frozen North'.

There will also be a weekly spelling and grammar focus.

## **Mathematics**

The areas we will cover this half-term are:

- Percentages
- Time and reading timetables
- 2d and 3d shapes
- Angles and co-ordinates
- Mass and capacity
- Missing number problems

We will have a weekly arithmetic lesson where we focus on the four operations and a weekly times table test.

# **Year 6 Autumn Term 2 2023**

## **Science**

Our unit this half-term is Light which covers how we see things and how light travels.

## **Geography**

We will be studying the continent of Antarctica: its location, its geographical features and how it is being affected by global warming.

## **Design Technology**

We will study the foods that are in season at this time of year and cook a variety of festive dishes.

## **RE + PSHE**

RE: Incarnation

PSHE: Finance

## **Music**

Singing

## **Home learning**

Please encourage your child to read widely and regularly at home (at least four times weekly)

They should also practise their times tables and key number facts.

Formal homework will set from January onwards in preparation for secondary school.

## **PE**

Indoor athletics

Handball

## **Computing**

Programming
